### District Statistics\*

### PAC Area Statistics\*

The 2015 goal for D11NR is **9,000 VSC's**. We are **20%** of our goal for the year and **111%** of 2014 production at this time. The data source is AUXINFO\*. Additional stats from AUXINFO\* indicates that **1617** or **89%** have passed the VSC, **626** or **35%** are First Time VSC's, **464** or **26%** are High Risk VSC's. In addition, **654** Paddlecraft VSC's have been performed, which is approximately **36%** of our total VSC production.

\*Statistics as shown in AUXINFO thru **May 3, 2015**

### Congratulations!

Congratulations to the following member(s) who have achieved the **30+ VSC** plateau for **2015**. With the addition of these 4 new members, this brings our total to **15** members and are part of an elite group-approximately **6%** of our D11NR Vessel Examiner membership. These members will receive special recognition and their names will be listed on the member recognition page: <http://rbsafety.d11nuscgaux.info/ve/recognition.html>.

## National and District News

### National News

-**JUST A REMINDER** that each flotilla is authorized to receive 200 orange paddlecraft **IF FOUND** decals # 3004a per quarter. If your flotilla hasn't taken advantage of this offer, please see your FSO-MA or Flotilla Commander. Until there is an adequate supply, **PLEASE** only these for VSC's and until more stock is received at ANSC, **PLEASE** do not distribute at PA events, or PE classes.

### District News

-**PLEASE** do **NOT** wear boots to climb aboard a vessel to perform a VSC. Our program allows for deck shoes, white or black tennis/walking with soft soles. If this is not an option, please consider purchasing disposal shoe/boot covers available in the paint or hardware dept. at Walmart, Lowes, Home Depot, etc, a package of 6 for under \$10.

-**Just a reminder that if you have NOT completed the REQUIRED National Vessel Examiner (VE) workshop as required by June 30, 2014, as of December 31, 2014, you are now in REYR status. Your failure to complete the required workshop by December 31, 2014, means you will have to complete the required workshop and in addition perform 2 VSC's with a qualified examiner and then submit the MT-2 to DIRAUX to be reinstated. Please go to the D11NR website: <http://rbsafety.d11nuscgaux.info/ve/ve.html> where you can find an easy to follow link to AUXLMS for the 30-minute workshop, or a 1 1/2 hr power-point presentation shown at the 2014 D/Train that can be downloaded and presented locally by a qualified instructor. If you attempt the AUXLMS version, PLEASE make certain you take the FULL 30-minutes!**

-**VSC's ON RENTALS**-At the request of Commodore Collins, to maintain uniformity in the VSC program, moving forward, **ALL** VSC's for rental agencies that rent pwc's, fishing boats, houseboats, paddlecraft, etc. will now require a D11NR Rental Agreement with the dealer. This program is relatively simple, straightforward, and is self-explanatory. You can find a copy of the instructions (ML-1), a sample introduction letter (ML-2), and a copy of the agreement (ML-3) on the D11NR Vessel Examiner (VE) website: <http://rbsafety.d11nuscgaux.info/ve/ve.html> under "**VE FORMS**". These are done in Microsoft "Word" and you can tailor them for your individual needs. Please note that to participate in this program, a Program Visitor (PV) is required. However, if you are a Vessel Examiner (VE) and a current Program Visitor (PV), you can fulfill that requirement. Please print (2) copies-one for you to keep after signed by the vendor, and one for the vendor to keep after you and the Program Visitor (PV) have signed it. You should maintain your copies for the calendar year.

-**A special request** from the Director's office; **PLEASE** have the qualifying members 7038 with the 5 VSC's entered into AUXDATA by the FSO/SO-IS **PRIOR** to submission of the MT-2 to the Director's office.
