District News

-For 2017, there will be a new special incentive for 20+ VSC's. As in the past, this will be mailed once a month to the DCDR to be forwarded to the FC for presentation at an upcoming Flotilla meeting. In addition, the 60+ incentive will continue, and as in the past, to qualify ALL 7038's MUST be submitted and entered into AUXDATA prior to October 1, 2017.

-Jan Jewell ADSO-VE/CS has made many new updates and additions to **YOUR VE website: <http://rbsafety.d11nuscgaux.info/ve/ve.html>. In addition to important VSC Manual updates, an important second page has been added to ML-1 for VSC's performed on rentals. Please take a minute to review the many new links and information. If you think something is missing or should be there, be let me know. As in the past, this site is updated weekly and is meant for **YOU** to be a one stop resource for **ALL** of your VSC needs.**

-**Please** submit action shots of VSC activity to me to be posted on the photo page of the D11NR VE website: <http://rbsafety.d11nuscgaux.info/ve/ve.html>. PLEASE make certain that the examiner is in the proper uniform and performing an authorized activity.

-**For** Coast Guard liability insurance purposes, **PRIOR** to leaving the house for ANY VSC activity other than to participate at an organized station, **PLEASE** remember to notify a member of the flotilla leadership (FC, VFC, and FSO-VE) of your planned activity. The notification could be in the form of an email, text message or a phone call. In the unlikely event of an incident, be prepared to provide proof of the notification. In addition, for the same insurance coverage per the new VSC Manual please remember, you also need to be in uniform and if boarding a vessel you need to be wearing a lifejacket.

-**PLEASE** do NOT wear boots to climb aboard a vessel to perform a VSC. Our program allows for deck shoes, white or black tennis/walking with soft soles. If this is not an option, please consider purchasing disposal shoe/boot covers available in the paint or hardware dept. at Wal-Mart, Lowes, Home Depot, etc, a package of 6 for under \$10.

-**VSC's ON RENTALS**-At the request of Commodore Collins, to maintain uniformity in the VSC program, moving forward, **ALL** VSC's for rental agencies that rent pwc's, fishing boats, houseboats, paddlecraft, etc. will now require a D11NR Rental Agreement with the dealer. This program is relatively simple, straightforward, and is self-explanatory. You can find a copy of the instructions (ML-1), a sample introduction letter (ML-2), and a copy of the agreement (ML-3) on the D11NR Vessel Examiner (VE) website:

<http://rbsafety.d11nuscgaux.info/ve/ve.html> under "**VE FORMS**". These are done in Microsoft "Word" and you can tailor them for your individual needs. Please note that to participate in this program, a Program Visitor (PV) is required. However, if you are a Vessel Examiner (VE) and a current Program Visitor (PV), you can fulfill that requirement. Please print (2) copies-one for you to keep after signed by the vendor, and one for the vendor to keep after you and the Program Visitor (PV) have signed it. You should maintain your copies for the calendar year.

-**A special request** from the Director's office; PLEASE have the qualifying members 7038 with the 5 VSC's entered into AUXDATA by the FSO/SO-IS **PRIOR** to submission of the MT-2 to the Director's office.
